EDUCATION

- Matriculation , Sindh Board , 2019
- Intermediate , Sindh Board , 2021
- Bachelor of Science in Computer Science (BSCS) PAF-KIET, Karachi, Pakistan 2022 - 2026

OBJECTIVE :

Passionate computer science student seeking an opportunity to further enhance my command over a single language while actively contributing to the growth and success of an organization. I am driven by a strong desire to expand my skills and knowledge in the field of computer science. With a dedicated and proactive approach, I aim to learn from experienced professionals and make meaningful contributions to projects. Through my enthusiasm and dedication, I strive to excel in my role and contribute to the overall success of the team

PROFESSIONAL EXPERIENCE :

- **Typist/Designer, KHF-Educational Network**
- **Call Center Representative, Hello International Marketing Solutions (March 2020 - February 2022)**
 - Achieved the highest sales record for the majority of my tenure.
 - Assisted customers in resolving inquiries, providing information, and ensuring customer satisfaction.
- **Call Center Representative, Global Resource Group (July 2022 - October 2022)**
 - Handled customer calls, addressing concerns, and providing solutions.
 - Maintained a high level of professionalism and customer service.
- **Call Center Representative, The Vision (August 2023 - October 2023)**
 - I helped customers by addressing their questions, providing relevant information, and making sure they left satisfied with our service.
- **Web Developer Intern, Assistant Lead and Senior Lead, Gao Tek Inc. (September 2023 - May 2024)**
 - Progressed from Web Developer Intern to Senior Lead, showcasing strong technical and leadership capabilities. As Senior Lead, I managed a team of 40+ members, overseeing the development of WordPress web pages and ensuring efficient coordination across tasks. Promoted collaboration, maintained clear communication, and ensured timely delivery of project milestones.
- **Business Development Manager and Chief Financial Officer, CyberHub (February 2024 - May 2025)**
 - As a Business Development Manager and Chief Financial Officer, I helped a call center startup gain potential clients and manage finances in a better way.
- **IT & Customer Service Intern – Talents2Germany (Aug 2025 – Sep 2025)**
 - Connected the company with international candidates and created n8n AI agents to automate the hiring process and improve workflow efficiency.
